See back of sheet for street captain info

Dear Cool Springs Neighbors,

I know it's hard to believe, but Christmas is quickly approaching and we would love to begin a holiday tradition with all of you! Please join us in celebrating this (and hopefully every) holiday season by lining our neighborhood with candle luminaries! Help us **"Light the Way for Santa and his Sleigh"** on **Saturday, December 12<sup>th</sup>** and transform our neighborhood into a beautiful winter village! This year, COVID has put a damper on so many holiday events, so hopefully this outdoor, socially-distanced neighborhood activity can make up for it a little bit.

The luminaries consist of a votive candle placed in ~2 inches of sand inside a white paper bag. (See photo below). Participating families line the sidewalk in front of their house and if desired, their driveways and walkways, too! The luminaries are placed a few feet apart and everyone lights their candles by **6:00 pm**.

Santa will be in attendance at the pool parking lot to hand out treats from 6:30-7:30 that evening! (or longer if there is additional interest). Check for updates on the Cool Springs Facebook event page (or reach out to your street captain contact) for the latest on food trucks or other activities we are able to secure for the big day. We should have (weather permitting) several hours to enjoy the impressive sight as we anticipate Santa's arrival! If you will not be home to light your candles, but you wish to participate, a neighbor can light your candles for you! Just let us know beforehand!

The cost is **\$10.00** per kit. (Each kit includes: 10 ten-hour luminary votives, 10 plastic candle cups, 10 white paper bags, and enough sand to weigh down ten bags). We are ordering the kits from Illuminations of North Carolina, Inc. ([www.illuminationsnc.com](http://www.illuminationsnc.com)).

If you are interested in participating, you may submit the form and payment online at <https://buytickets.at/coolsspringsneighborhood/435870>, or you may drop off the paper form to your designated street captain with payment by cash or check made payable to your street captain. The online order goes through paypal and has a 10% fee associated with it. **The deadline for ordering luminary kits is November 10, 2020**, as the order will take several weeks to be processed.

Determining how many luminaria kits you will need is totally up to you. Traditional spacing as shown in the photo is 3 feet, or 30 feet per kit. The lots in Cool Springs are generally about 90-110 feet wide. You may just want to line the sidewalk in front of your house, or maybe your driveway and/or walkway, too! Do what works for you!

Please indicate on the order form whether you would like your order dropped off on your front porch, or whether you prefer to pick it up at the pool parking lot during the **Luminary Kit pickup on Friday, December 11<sup>th</sup> from 5-6:30 p.m.** If we receive high interest, we may need help putting household orders together -please let us know if you wish to help!

The \$10.00 cost covers the cost of the luminaries. If there are additional funds leftover after costs are covered, the funds will be donated to **the Dragonfly Foundation** (<https://dragonfly.org/>) as a neighborhood. You are welcome to specify an additional donation to the charity either on the form or with the online order.

Please contact your street captain or email us at [coolsspringsluminaryorders@gmail.com](mailto:coolsspringsluminaryorders@gmail.com) if you have any questions or suggestions!

Thank you!
